About Us

Leveraging on our robust infrastructural set up and diligent team of professionals, we, Kamal Deep Metals Works - an ISO 9001-2008 Certified Company, have scaled to the newer heights of success. Established in the year 1955, we have marked our permanence in the global market segment. Owing to our years of industry experience and in-depth knowledge, we have garnered a large customer base. We are well known as one of the leading manufacturers, exporters and suppliers of the industry. Our comprehensive array comprises Metal Castings and Bushes, Aluminium Bronze Castings, Bronze Castings and Bushes, Phosphor Bronze Castings and Bushes, Gun Metal Gear Castings and Bushes, Sand Castings and Bushes, Precision Castings and Bushes, Metal Foundry, Proof Castings and Bushes, Aluminium Bronze Castings and Bushes, Bronze Bushes, Alloy Castings and Bushes, etc. The bushings and castings are used as load bearing members in various machine tools as well as for supporting long shafts with overhangs. We fabricate our entire array with extensive care and precision in accordance to the client specific requirements. Also, our experienced quality controllers see to it that all the bushes and castings etc. are developed in exact compliance with the prevalent industrial standards. They ensure that only perfect products are presented to our valuable clients.

We have established ourselves among the most renowned manufacturers and suppliers in the global market. The product range offered by us includes Automotive Casting and Bushes, Automotive Sand Casting and Bushes, Aluminium Bronze Castings and Bushes, Non-Ferrous Castings and Bushes, Phosphorus Bronze Castings and Bushes, Alloy and Graded Castings and Bushes, etc. Our superlative array is an excellent outcome of our persistent efforts and dedication.
